Coaches' expectations of PNZ

PNZ will take a lead in:

- Communication / accountability
- Defining the role / culture
- Communicating with athletes / coaches

Travel arrangements, registration for events remains with PNZ administration

Longer advanced notice / warnings re forums and plans

Convince SPARC coaching is a long term proposition / role not short term

Resources available – develop a resource pack and contacts

Advise of leadership / support / opportunities

Strong representation at IPC level

Working with the NSO for the coach re education etc including integration

Coach networking – contacts, coach association

Sharing information – IPC Swim Communication

On-line IPP for athletes and coaches and providers, space for feedback etc

Continued investigation into database to support above

Ongoing professional development and equipment needed
